MIDDAY SOMEWHERE 2016 SHIRAZ

"Two roads diverged in a wood, and I – I took the one less travelled by.
And that has made all the difference." – Robert Frost, The Road Not Taken.

The Hesketh range of white label wines represent the best of our home state, South Australia - one of the most celebrated and diverse growing regions in the world.

Grapes for these wines are grown only in premium sub regions of South Australia which are best suited to each wine style. The wines are then blended before bottling to a fresh, fruit driven style which is perfect for everyday drinking - or more salubrious occasions.

Background

Fruit for the Midday Somewhere Shiraz is sourced from a selection of premium vineyards within the renowned wine state of South Australia.

South Australia has incredible diversity in climate and geography which makes it perfect for nurturing vines that go on to create dynamic and complex wines. Our Midday Somewhere Shiraz has benefited from such variety and subsequently showcases brilliant aromatic fruit notes balanced perfectly alongside soft vanilla hues from the quality French oak barriques.
