### Wild at Heart 2019 Rose

The Hesketh Art Series represent the best of our home state, South Australia - one of the most celebrated and diverse growing regions in the world.

Grapes for these wines are sourced from premium growing sites in the cool-climate Limestone Coast. The wines are then blended before bottling to a fresh, fruit driven style which is perfect for everyday drinking or more salubrious occasions.

#### Background

Our 2019 Wild at Heart Rose is made up of the free-run juice from Merlot grapes grown in the Limestone Coast region. The plush, delicate qualities of Merlot are perfect for a crisp, aromatic Rose.

Fruit was fermented in stainless steel with only a short time on skins to achieve the perfect blush colour. The fermentation was allowed to proceed to dry to retain the clean fruit flavours, steely acidity and provide a fresh, persistent finish. Our favourite style of Rose!

#### Tasting Notes

**Colour:** Pale watermelon pink

**Aroma:** Lifted and aromatic with notes of freshly crushed raspberries and hints of citrus.

**Palate:** Steely acidity sits comfortably alongside natural fruit sweetness resulting in an overall texture which is superb. Hints of peach, strawberries and grapefruit lead into a dry, crisp finish.

**Food Match:** The perfect aperitif!

**Cellaring:** Best enjoyed while young and fresh, it can also be matured for up to to 4 years – but only if you really have to!
