

The **Regional Selections** represent vineyard & varietal combinations which are recognised for excellence.

The motivation is quality, and the result is a range of wines which are hand-made from specific vineyards to bring you the best of each growing region.

About the variety

Sauvignon Blanc derives from the Bordeaux region of France, where it made its claim to fame (alongside Cabernet Franc), as the parent grape to the noble Cabernet Sauvignon. Sauvignon Blanc is a vigorous vine that has a tendency to ripen early but strangely develops buds late.

Fruit for our Sauvignon Blanc is sourced from the cool climate Adelaide Hills where the high altitude (≈400m) is especially favourable to this earlier ripening variety. Skin contact on this wine is limited to ensure a clean and crisp finish with intense aromatics and a fresh palate.

Winemaker's Notes:

Appearance: Pale yellow green.

Aroma: Bright, aromatic nose with zesty lime and lemon blossom.

Palate: Classic green apple and vibrant citrus notes. Fresh acidity, good structure and a clean and crisp finish.

Summary: A well balanced Sauvignon Blanc highlighting all the trademark notes of the Adelaide Hills. Perfectly matched to piping hot fish n chips at the beach.
