PINOT NOIR
LIMESTONE COAST

VINTAGE 2022

Grapes for our Limestone Coast Series wines are sourced from a selection of premium vineyards within the renowned Limestone Coast growing region. The diversity in climate and geography makes it the perfect fruit source for the equally diverse Art Series range.

Vineyards are carefully selected based on their suitability for each wine's individual personality. We look to warmer sub-regions for reds and cooler sub-regions for the whites. The wines are then crafted to a consistent style and quality, which is perfect for everyday drinking or more salubrious occasions.

Background

Fruit for the Unfinished Business Pinot Noir is sourced from a selection of premium cool climate vineyards within the renowned Limestone Coast region.

2022 was a wonderful vintage. A mild, even ripening season gave us fantastic yields and outstanding fruit quality. This wine is made in a way that allows the juicy intensity of this parcel of fruit to shine. No unfinished business here, unless you don't manage to finish the bottle. But we highly doubt that....

Tasting notes

- Colour:** Ruby red core with a pink rim.
- Aroma:** Floral notes of soft rose and lavender, followed by wisps of freshly picked strawberries and bright red fruit. A hint of spice and brambly notes add an extra layer of complexity.
- Palate:** Light-medium bodied with luscious red fruits. The juicy acidity and plush tannin make this a highly drinkable and very moreish wine.
