# GAMAY

ADELAIDE HILLS  
VINTAGE 2024

HE SKETH  
WINES

## BACKGROUND

Our regional wines are a celebration of South Australia's pedigree cool climate growing regions and the varieties that thrive under those growing conditions. These wines are made without compromise, drawing on our exceptional fruit sources and the skills of our incredibly experienced winemaking team. The simple objective is the highest quality standards and exceptional value.

Whilst winemaking artefact plays a significant role in shaping these wines, the intent is fundamentally about purity and expression of site.

## VINTAGE 2024

In 2024, windy and dry conditions during flowering resulted in poor fruit set and significantly reduced yields. An accountant's nightmare! However, the benefit of low disease risk and highly concentrated, pristine fruit at least provided incredible quality in the cellar.

Fruit for this wine was hand-picked to keep whole bunches intact at harvest and then destemmed without crushing to allow for whole-berry fermentation in 2T open fermenters. A portion of the bunches were held back for a 100% whole bunch ferment to achieve carbonic maceration. As soon as the ferment was complete and zero baumé recorded, the fruit was pressed. The wine was then matured in seasoned oak for six months.

## TASTING NOTE

- Colour: Bright purple hues.
- Aroma: Floral, highly perfumed, berries and dried leafy spice.
- Palate: Rustic and shaped palate with juicy red fruits and crunchy cranberry acidity. Fine acid line and glossy tannins with a persistent, yet elegant finish
- Serving: Cranberry Duck breast. Or just chilled if desired.

## TECHNICAL

Alcohol	13%
Residual Sugar	Dry – 1.8 g/L
TA	6.5
pH	3.52
